

KARBONHEX®

by

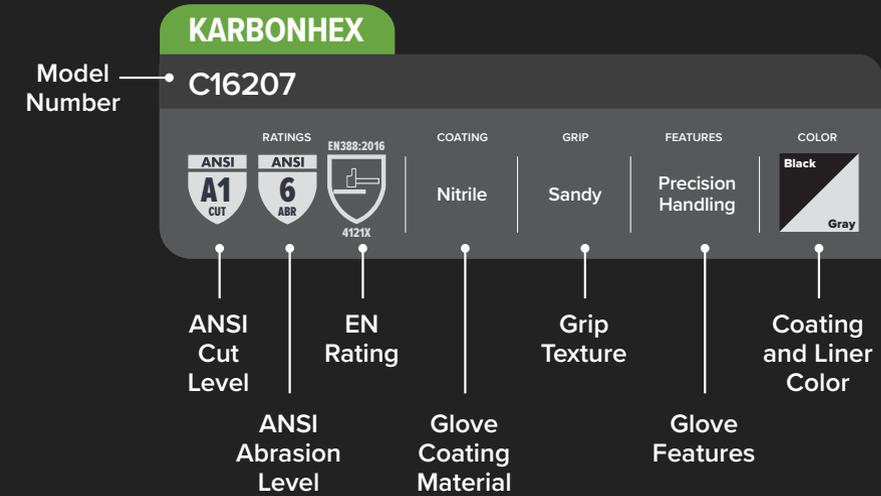

The Essential Range
of High Performance
Hand Protection

2022

KARBONHEX[®] is an advanced and innovative range of ergonomic hand protection that was originally conceptualized, designed specifically for professionals working in the most challenging conditions.

INTRODUCING THE KARBONHEX WIDGET

Everything you need to know in one place

KARBONHEX®

ADVANCED ABRASION PROTECTION GLOVES

Constructed with highly abrasion-resistant coatings and uncompromised grip and comfort.
Available from ANSI 4 to 6 abrasion resistance and ANSI A1 to A5 cut resistance levels.

Abrasion-Resistant Gloves

C16207

C16400

Cut-Resistant Gloves

C44280

C36590

KARBONHEX®

TPR IMPACT & COLD PROTECTION GLOVES

The same comfortable liners and abrasion-resistant coatings with the added protection features of high visibility, cold resistance, and TPR.

TPR Impact-Resistant Gloves

C16677

C44270

Hi-Vis Cold-Resistant Gloves

C24465

C33461

KX42 – Precision Handling

Nitrile palm coating with sandy texture provides precision handling in wet and oily conditions.

15-gauge knitted nylodex seamless shell provides exceptional fit and all-day comfort.

Elastic knit wrist ensures a comfortable and secure fit.

KARBONHEX

C16207

ANSI CUT	RATINGS EN 388:2016	COATING	GRIP	FEATURES	COLOR
A1	6 ABR 4121X	Nitrile	Sandy	Precision Handling	Black / Gray

KX41 – Precision Handling

Nitrile palm coating with sandy texture provides precise oil and wet grip handling.

Smooth 3/4 dip nitrile base coating provides excellent liquid, oil and grease resistance.

Superfine seamless 18-gauge knitted nylodex breathable shell provides exceptional fit, feel, and flexibility for all-day comfort.

Elastic knit wrist ensures a comfortable and secure fit.

KARBONHEX

C16400

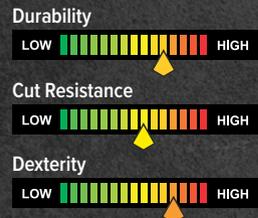

ANSI CUT	RATINGS EN 388:2016	COATING	GRIP	FEATURES	COLOR
A1	6 ABR 4131X	Nitrile	Sandy	Liquid Resistance	Black / GRAY

KX80 – Komplex Handling

Sandy foam nitrile palm coating provides precise oil and wet grip handling. Fully touchscreen compatible.

Super lightweight close fitting 18-gauge composite knit shell provides exceptional fit, feel and all-round cut protection.

Elastic knit wrist ensures a comfortable and secure fit.

KARBONHEX
